All proceeds for this event go toward the Kool Boiz Foundation College Scholarship Fund for African-American males in the Youngstown, Ohio area.

“We are honored to have DuPont Pioneer partner with us to impact the lives of the young men of this community. Our goal is to help change the mindsets and behaviors of these young men and build future leaders”, said Scott Washington, Vice-President of the Board and event Committee Chair.

The Kool Boiz Foundation was founded in 2015. The organization is dedicated to providing educational, financial, and emotional support for at-risk adolescent males in urban communities. The organization’s Board of Directors consists of current and former residents of Youngstown, Ohio who decided to form an organization with the sole purpose of giving back to the community that helped make them successful.
